

List of Changes

The Note From the Editor that appeared in issue 42-115 when it was published on November 15, 1993, has been deleted. The Note corrected an error in Sylvia Kouzel Posner's name that had been made in the Dedication to issue 42-114, August 15, 1993. This error has been corrected in the Dedication to issue 42-144 on this web site; therefore, the correction in issue 42-115 is no longer necessary.
