

## List of Changes

Because the server hosting *The Telecommunications and Data Acquisition Progress Report* has changed, some of the URLs provided in the references of some articles in this issue have been revised since their publication on February 15, 1997. The following table lists the changes that have been made.

In addition, the order in which the authors were listed in the Author Index for two articles by S. Benedetto, D. Divsalar, G. Montorsi, and F. Pollara was incorrect as originally published and has been corrected.
